

# Prayatna

## Event Structure

The event consists of 2 rounds. The first one is an online round - participants are required to submit a report with details of their technological innovation and how they believe it would help society.

We will provide a template for reference.

The short-listed entries will then proceed to the second round which will be held at IIT-Delhi Campus, Okhla. For this round, participants are required to present a presentation/video along with their model, demonstrating how their innovation can bring about a change. This will be followed by cross questioning by judges and audience.

Registrations begin on 22 June 2014. 8th August 2014 is the last date for registration and submitting the report for the first round.

## Round-1

1. The final deliverable for the first round is a detailed report which must contain the following:
